Molly

Age: 26 Born: Mar. 10 Ht: 5'3" Wt: 100 lbs. Bras: 34B
Panties: Brazilian-cut thongs Anal: Sometimes BJs: Swallow

Sunrise, Florida **Communications student**

Molly's one of those girls who has everything. She's thin, got a cute face with just a bit of baby fat, and her asshole gapes just enough to slam a cock in there. But watch out, she doesn't let just any guy go in there. "If I'm letting a guy fuck me, he's lucky enough. I don't feel any pressure to let guys do anal. I only do it if I really want to, and it has to be with the kind of guy who makes me want it. Rubbing the tip of your dick on my asshole isn't subtle."

“Here’s a little advice for your readers,” Molly told us. “Just be confident and don’t push your woman to do anything she’s not comfortable doing. Be supportive. If you want to fuck her in the ass, compliment her ass. Don’t say something like, ‘I love your ass. I wish you’d let me fuck it.’ Just let her know that you appreciate the way her body looks. It works for other stuff, too. If you want more blowjobs, lick her pussy every god-damn day. Wash your fucking balls. She’ll get the hint. Be confident that you’ll get whatever you want eventually and don’t push the matter. Eventually, all women give in. We always want to please our man.”

Reader Confessions

One reader writes in to tell us about his hot, slutty MILF neighbor. Another guy shares his story...and his girlfriend!

JERKIN' FOR THE MILF-NEXT-DOOR

Dear Newcummers,

I've always loved the early-40s women the most, and the sexy brunette-next-door who's always sunbathing in her tiny bikini has been the subject of many of my fantasies. One day this past summer, my fantasy came true.

"Hey, can you help me move some patio furniture around?" says a friendly voice from the other side of the fence one summer afternoon.

"Sure," I say, and I walk over to her yard, looking forward to spending a few minutes with the friendly MILF-next-door. When I get there, she's wearing a pink polka-dotted bikini. Wow. I've never seen her in something this skimpy. She explains that her husband is out of town on a golfing trip.

We spend a brief bit of time moving outdoor furniture around her pool deck. As she bends over to pick up and put down pieces, I get several nice views of her lovely cleavage and ass. She's wearing silver high-heeled shoes, and that turns me on, too. My cock stiffens under my shorts. I hope she doesn't notice. Then again, maybe I do.

When we're finished, she suggests we go for a drink of cool water in the shade. We move over to a secluded area near the pool's change-house. I can't resist letting my eyes wander over her delicious body as we make small talk. Her perky tits and beautiful ass seem barely covered by the tiny bathing suit. She notices me staring.

"That's okay," she says. "Would you like to see more?"

Wouldn't you like to take a dip with a MILF?

"Yes," I whisper.

She takes of her bikini top, and I stare at her lovely boobs. She smiles and stretches the bikini top across her chest then cups her breasts in her two hands. She smiles again, and my cock bulges like it hasn't in a long, long time. I reach down and stroke my cock through my shorts. Neither one of us is shy anymore.

She reaches down to her bikini bottom, tugs it down and lets it fall to her feet. She steps out of it and just stands for a few seconds, smiling at me. What a lovely, sexy woman. I shed my shorts and stroke my swollen cock while she watches. She starts posing for me. She arches her back, reaches down and parts her pussy lips for me.

"Keep stroking," she whispers. "Stroke that cock for me, baby. I want to watch you jack it for me."

Of course, I do. Then she leans forward, placing her hands against a wall, thrusting her ass out. The view of her legs, ass and open pussy sends me to another level of lust. I step toward her, put my cock between her butt cheeks and begin thrusting. Over and over, my big, red, engorged cock passes between her soft ass cheeks until I can take it no more. I step back and jack myself off, covering her ass in streams of my cum. She reaches back and massages the cum into her cheeks and wipes some of it on her pink pussy lips.

"I'm glad I asked you over," she says. "Maybe we'll see each other again this summer."

Then she starts stroking my cock again, and as I feel it getting hard again, just minutes after I came on her ass, I know we're going to see a lot of each other.–*Paul, Toronto, Ontario, Canada*

Reader Confessions

WHAT A ROOMIE

Dear Newcummers,

I'm a pretty normal guy. I like to jerk off. I like fucking my girlfriend. I've never been into anything kinky or weird. I'm also a fairly private person. But I've got to get something off of my chest. I'm a college student. Last spring break, my girlfriend Juliana and I chose not to go down to Mexico like all of our other classmates. We were originally going to go to my folks' place, but they canceled on us last minute. Anyway, Juliana and I have been together since our senior year in high school. We were each other's firsts. When we got together, we fucked non-stop. But that was a while ago. Somewhere along the line we began to fuck like an old, married couple. We even scheduled when we'd have sex. But there's a lot of love between the two of us, so it didn't seem like that big of a sacrifice.

Our living situation isn't ideal for fucking, either. There's not much privacy in my frat house. Her place is the same. I share a room with a guy named Rob. Juliana, Rob and I have hung out a million times, and I've never noticed any sexual tension between the two of them. There's a little harmless flirting when Juliana has had too much to drink, but she's like that with everybody. Anyway, since it was Spring Break and the majority of students were away on vacation, Rob, Juliana and I met up with the rest of the kids on-campus. There were about 20 of us altogether. We went to an on-campus bar and got properly schnockered for a couple of hours. After a while, Juliana started flirting with me and, I'll be honest, a couple of other guys playing a game of pool. She was grinding against my cock while I half leaned against a bar stool. I couldn't take the tension any longer. I grabbed her hand and led her out of the bar, hoping nobody would be home so I could properly fuck my girlfriend. It felt like it had been forever since we had hard, great sex.

As soon as we got back to my place, she unbuttoned my Levi's and

Gracie

Age: 18 Born: Sep. 30 Ht: 5'5" Wt: 110 lbs. Bras: 34A
Panties: Usually none Anal: Not a lot BJs: Swallow
Miami, Florida Model

Here's the deal, guys. You probably recognize Gracie. She's one of the hottest porn starlets in the world. In fact, Complex.com rated her number 56 in their list of the hottest pornstars of all time. She won the 2011 AVN award for best newcomer. Shit, she has her own Wikipedia page. So what the fuck is she doing in Newcummers, you might ask? Well, these are the very, very first nude pictures she ever shot, and for some reason we never printed them. Somebody's probably going to get fired for this fuck-up, but at least we're printing them now. Enjoy.

Gracie is so young in these photos! You'll notice that her age is listed as 18 on page 20. Well, that's because she was 18 when these pics were taken. Gracie was a student down here in Florida when she sent these photos in to us. Apparently she got addicted to the notoriety and the pay-checks because she dropped out of school and started modeling full-time. She's turned a nude afternoon photo-shoot into a career! We're proud to have helped another newbie enter the adult industry! Now we've got to dig into our archives to see what else we've forgotten about!

Jessi

Age: 23 Born: Sep. 2 Ht: 5'4" Wt: 104 lbs. Bras: 34A
Panties: Cute ones Anal: Yes BJs: Swallow
Worcester, England Office assistant

You've got to love a girl who lets her pubes grow wild. It shows individuality and a sense of fun. That's a perfect description of Jessi. "I've always had pubes," Jessi told us. "I'm not one of those bandwagon girls who started growing a bush because Gwyneth Paltrow and Cameron Diaz started advocating for pubes. I think that's bullshit. Women should do whatever they want to their bodies. I don't give a fuck if a man likes my pubes. If he doesn't want to lick my pussy or fuck me because of it, he can sod off! That being said, I hate routine. I get antsy whenever things stay the same for too long. I change my hair color at least once every other month. That's why I decided to shave my pubes off."

“I have to admit,” Jessi confided in us, “using a razor on my pussy took a little getting used to. I didn’t know what position I should be in. My boyfriend just kept telling me to bend over and show him my arse. I knew that wasn’t the best way to shave! He was just trying to have a peek at my butt! That pervert! Anyway, I finally figured out that I had to work in sections. I started from the top, above my clitoris, and worked my way down to the cheeks. I made sure to use loads of lotion on it afterwards, too. I’ve heard horror stories about razor burn on the vagina.”

"It was so strange to look down and not see any hair."

“It’s going to take some getting used to, having this shaved pussy. I’ve got some pretty strong opinions about it already. First, I love the way silk panties feel against my smooth skin. I wore a pair to work the other day, and every time I walked around my office, my thighs would get soaked with pussy juice. That’s the other thing. I’m not used to my pussy juices running down my legs! I’ve always had thick hair to soak it up! My vagina isn’t smelling as potent, either. I’ve always had a thick, pheromone-heavy scent whenever I was aroused. Men would tell me it drove them insane. My boyfriend lets me know that he misses it, but he’s having the time of his life exploring my smooth cunt.”

"Maybe one day I'll
let it grow back,
but now, I like it."

Miami, Florida Bartender

Miami is one hell of a place. They say New York never sleeps. That may be true, but NYC's got nothing on South Beach. Samantha's a bartender at a new spot that just opened. She's living the 24/7 lifestyle. Take these pictures for example. Even though there's no last-call here, she boarded up the place for the night but invited one lucky patron to stick behind. Apparently this dude was buying her shots all night. "He was cute in a really Miami way," Samantha told us. "He had the typical Cuban style and he was showing off his stacks. He was crushing on me super hard."

"I'm glad my asshole manager made me close alone that night."

“I poured us a couple of shots, and we got to talking. He told me that he was a big-time player in the music scene. I know bullshit when I hear it, but I had to admire him for trying! When I was finished locking up and loading the washer, I put on some tunes and started dancing for him. He pulled out a camera and, well, the rest is history. I ended up fucking him right on top of the bar. He kept making himself more and more cocktails, though. He lost his fucking boner after, like, five minutes. He kept trying to lick my pussy after that. I kicked him out. I was in the mood for dick, not pussy licking.”

We'll never understand why young people get married. Okay, we have some understanding. Young chicks do it because they've been sold on "happily-ever-after" lives. But why do young men do it? Well, probably to lock down fine pieces of ass like Talula. Do you like the lingerie she's wearing in these shots? So did her ex-husband. She's 20-years-old and already divorced.

Now, we can't blame Talula's ex-hubby for putting a ring on her finger. She's young, adventurous and, according to him, never one to say no in the bedroom. She sounds like the perfect girl, right? But, like most young marriages, this one ended in a spectacular disaster. "I wasn't ready for her," Talula's ex told us. "She was totally cool with trying a threesome. I picked out a girl from my office and the three of us stayed up all night fucking our brains out. The only problem was that I continued fucking out my coworker's brains. Talula didn't appreciate that."

Talula can take a cock all the way down her throat and tongue the balls.

Eva

Age: 19 Born: Mar. 24 Ht: 5'3" Wt: 143 lbs. Bras: 34D
Panties: I don't usually wear 'em Anal: Not yet BJs: Swallow

Fort Lauderdale, Florida Student

Eva is a beautiful 19-year-old originally from California. She's now living in Florida while studying physics. Seriously. She's a real-life nerd with a wild streak. For instance, we asked her what she likes to do in her free time. She responded, "I like reading contemporary literature and listening to Carly Simon." Then we asked her about losing her virginity. "The first time I had sex it was with two friends. I lost it in a threesome."

Regardless of how nerdy Eva is, she still knows how to please a dick. Check out her skills with our porn stud. She takes every inch of his cock in her tight, caramel pussy before emptying his nuts all over her face. She's not a professional porn model, but she could be if she wanted to. She's just fucking on-camera for fun! “My major in school is really competitive and there are a lot of job opportunities for me. The rumor is that people graduating right now are making six figures! I’m just here to challenge myself and get laid.”

"I'm all about that G-spot stimulation."

We asked Eva what things she wants to try before she graduates and starts working full-time. “I want to travel a bit before I get a job. I also want to try anal! I’ve got a really sensitive ass. I’ve had guys finger my butt before, but it hurts unless they use a lot of spit. It’s going to take a while before anybody works a cock into my ass, but I really want to experience it! I’m a big fan of licking and rubbing on the outside.”

"A little
domination
in the bed-
room is
always fun."

KYLIE LONDON, ENGLAND **AGE 22**

BABY TSS

Kylie is the kind of girl who makes you do stupid shit. *Newcummers'* Fall 2015 Bush Baby is some sort of seductress. We got our hands on these pictures and immediately gave her a call. She told us that she'd love to have us print her photos because she's, "the randiest girl alive." Her words, not ours. Anyway, she ended up flirting with one of our staffers here and, long story short, he offered to fly her to The States. Too bad he forgot he was married. His wife found out about the tickets and that ended the whole situation right there.

It's too bad Kylie decided not to fly across the pond to visit our studios after her sexual liason fell through. We could have put her tight, fuzzy muff to work with our porn studs. We're still working on that, but in the meantime, we'll have to live viacariously through the kinky sex stories she told us. "I've lost count of how many men I've shagged," she shared. "I don't know whether or not I should count sexual experiences or number of men, either, because there have been plenty of times that I've taken on more than one man at a time."

Don't you just love it when they pull the hair?

“My kinkiest sexual encounter would have to be when me and my mate took on a couple of sailors. They were on shore leave, and we were on vacation in London. We ended up getting tipsy on too much wine and French cigarettes. We checked into a hotel and didn’t check out for two days. It was a blur of cocks and pussy. I remember at one point, one of the sailors was in my arse, and the other was fucking my face as if it were my pussy. My girlfriend was alternately tonguing my clit and the back bloke's sack as he fucked my bum. I returned the favor when it was her turn to get spit-roasted. I swear to you that I could taste pussy and cum on my breath for a week after that happened! I was exhausted, and I slept for the entire trip home. It was amazing!”

Further east, one sexy Kitty's pussy looks tasty enough to douse with soy sauce before digging in. But if you like your poon with a bit of bush, you would be wise to head Down Under. Sheila is an Aussie with curlies we'd love to munch on. Hot creampies and sticky facials are our two favorite things, and Ashden and Keiyra show us why they are.

started sucking my cock. She buried her nose in my pubes and took my shaft into her throat. With all of the teasing at the bar, I was ready to pop. I shot my load into her mouth, and she swallowed the whole thing. Then I licked her pussy until she shuddered and came. I was hard again, so we fucked until I blew in her pussy. It had been a long time, so we both fell asleep right afterward. It was amazing.

While we were lying there, content and snoozing after our little fuckfest, Rob walked into our room. He's a nice guy, so after he saw us lying there, he tried to be quiet, but I'm a light sleeper, so I woke up. Juliana was still snoring next to me in this really cute way. Rob dropped off some stuff and left the room. A couple of minutes after that, my girlfriend got up and told me that she needed to take a pee. She leaned over and gave me a kiss on the end of my nose. I rolled over and tried to fall asleep again.

A few seconds passed before I heard the shower switch on and mumbled voices coming from under the bathroom door. It was Juliana and Rob.

I couldn't make out all of what she was saying, but I distinctly heard her say, "Please. He's sleeping like a log. C'mon, he'll never find out. Let me see that cock of yours."

I was frozen with fear, betrayal and, honestly, for some reason, lust. I was hearing their voices and imagining what she would look like fucking another guy. I was getting hard.

I was snapped back to reality by the sounds of Juliana gagging on something. I knew instantly that it was Rob's cock. I got a sinking feeling in my stomach that led, strangely, down to my dick. As I got angrier, my cock got harder. It sounded like she was struggling to get his rod all the way into her mouth. It was such an insult to me after she effortlessly sucked my entire shaft a half hour or so before.

I stood up and walked quietly to the bathroom door. I heard Juliana mumble in a really lusty and breathy way, "Shit. Your cock is massive. My pussy is so wet. Please, you've got to fuck me. I have to know what a big dick feels like." Jules had always been afraid to say anything too kinky or dirty. She used to say

Sofia

Age: 20 Born: Oct. 10 Ht: 5'5" Wt: 119 lbs. Bras: 32B
Panties: Usually thongs Anal: Fingers only! BJs: Swallow
Panama City, Florida Yoga instructor

What's with this yoga trend? Sofia can answer that. "I'm a yoga instructor," she told us. "I get to exercise all day and get paid for it. It tightens my muscles, keeps me happy and healthy and looking sexy at all times." What else does yoga do for Sofia? "I do certain exercises for my pussy, too. In addition to keeping my upper body tight, I like to remain tight downstairs. I flex my pussy muscles all the time throughout the day."

Sofia talks a bit about going into a state of meditation during really good sex. But we don't know how that's possible. Doesn't meditation mean sitting around doing nothing? Sofia isn't doing that. She's moaning and panting while she gets hammered, and her titties bounce around on her tight body. "I'm always giving my A-game when I'm having sex," she told us. "I'm not one of those girls who gets into a relationship and only has sex once a week. I don't keep my top on when I fuck. I don't half-ass it. If I'm screwing, it's going to be hard and fast."

Sofia's a yoga instructor and personal trainer who wanted some cash for a trip to Europe at the end of the year. Well, we help out young amateurs in need of cash all the time. Sofia's different, though. Most girls are brave when they're clothed, but lose confidence when we get them naked and spread. Sofia's confidence rocketed when she started sucking our stud's cock and went through the roof when his big dick made her cum. "Because of my yoga, I have great control of my pussy muscles. After I came, I squeezed down on the stud's dick and made him pop," Sofia told us.

Houston, Texas Clothing store clerk

"My boyfriend is too shy to fuck me on-camera, which is pretty ridiculous," Mercedes told us. "He's got an above-average sized dick, even if barely. But he really knows how to use it. He's also got the stamina to spare! I've never been able to get him off from just sucking his cock. I have to jerk him really hard or let him fuck me until he blows his load."

“I have a fulfilling sex life. I cum every time my boyfriend and I fuck. Sometimes I need a little bit of help from my vibrator, but that doesn’t mean that my orgasms are any less powerful than the ones I get through sex. Sometimes they’re even better! Last week, my boyfriend and I were fucking for almost an hour. He told me that he wanted to finish in my mouth, so he started fucking my face and grabbing my hair. I was holding my vibrator on my clit, and I could feel a huge orgasm building. Right when his balls started to tighten and swell, I began to cum hard. He pumped his cum down my throat at the same time.”

Kitten

Age: 18 Born: Aug. 17 Ht: 5'7" Wt: 120 lbs. Bras: 34B

Miami, Florida Student

We had this perfectly good set just collecting dust in our SCORE archives. It's never been seen before. We found it while preparing for the 20th-anniversary issue of *Naughty Neighbors* magazine. Apparently it was mislabeled. Remember that guy who lost Gracie's set? He's responsible for losing this one, too. He's been canned. How do you lose a set of such a fine piece of teen ass?

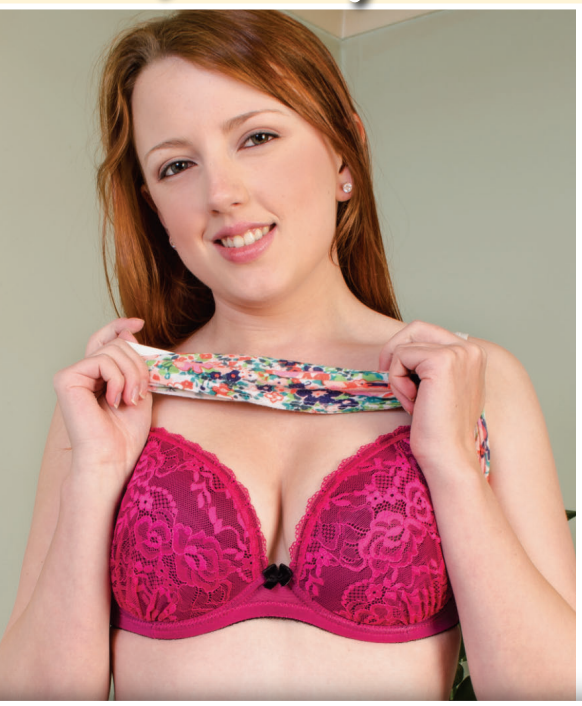
Doesn't she look
like a scared,
little kitten?

Kitten was 18 years, two months old when she sent in these pictures. She's got 34B-cup titties and wears a size two dress. She normally wears boyshorts if she has to wear panties, but she prefers to go without them. She played volleyball and soccer back in high school. She told us that her kinkiest encounter was having sex with two guys and another girl all at the same time. Our colleagues at *18eighteen* magazine found a few of our pictures of her back in 2009 and convinced her to shoot for them, but she's been quiet ever since. We hope she sees these pictures and gets back in contact! We'd love to hear from her again.

Jenny

Age: 22 Born: Apr. 12 Ht: 5'4" Wt: 105 lbs. Bras: 32D
Panties: Lace Anal: Not a fan BJs: Swallow

York, England Fashion model



Jenny has posed topless for several clothing lines and small-time artists, but she's never spread her cunt on-camera before. She chose *Newcummers* to pop her porno cherry. "First of all, I love your magazine. A photographer friend of mine had an issue from, like, 2007 or something in his bathroom. I'd flip through it while he was exposing his negatives. I'm not ashamed to tell you that I've masturbated more than once while flipping through your pages. I especially love the hardcore stuff that you guys do. I'd never do that, myself. I'm too chicken for that. Plus, I'm comfortable with people I know seeing me naked, but I'd be so embarrassed if someone I know saw me shagging!"

"I've never let anybody shoot anything this graphic."

We asked Jenny if she'd ever consider posing for our sister magazine, *Naughty Neighbors*. She said she'd send some more pictures over post haste. "But after that, I'm finished. This is fun and all, but I'm more into new experiences. I mean, now that I've done it, there's not much of anything else to do. I'm not going to fuck on-camera. So where does that leave me? I don't need the money. I'm just doing this for the adventure of it."

Jasmine

Age: 23 Born: Dec. 10 Ht: 5'3" Wt: 123 lbs. Bras: 36A
Panties: Whatever's sexiest Anal: Yes BJs: Swallow
Duluth, Minnesota Receptionist

Jasmine hates the rain. She's more of a sunshine girl. That's why she hated the weeks preceding her photo-shoot. "It's been pouring every day. I hate it. Every time I think it's going to be nice, the weather changes and I'm stuck inside with nothing to do. That's why I jumped at the opportunity for an outdoors photo session with my guy the moment the weather turned good again. The sun was shining and it felt so good on my body. I just had to get naked and bask in the light. Of course he was there telling me to take just a little more off and get just a little more frisky. I loved it."

"It was really exciting to be naked outdoors."

It's pretty clear from these pictures that Jasmine is horny as hell and she didn't have to be convinced too hard to get off on-camera. We love girls like that. She didn't submit too many clothed pictures. It seems that as soon as her guy brought out the camera, she started stripping. In our opinions, there's nothing better than an amateur spreading her asscheeks and pummeling her pussy with her fingers and cumming all over the place! Jasmine told us that after her guy had put the camera down, the action didn't stop. Go to NaughtyMag.com to see what happened after these pics were taken.

things to get my motor running, but I always had the suspicion that she wasn't into it. The things she said to Rob didn't sound forced, though.

They were getting a bit louder, and I could clearly hear Juliana moan as Rob must have slipped his dick inside her. Soon there was a rhythmic pounding sound coming from the other side of the bathroom door. They were less than four feet away from me. My roommate was fucking my girlfriend.

I was confused, but before I knew what was happening, my rigid dick was in my hands, and I was jerking off. I could feel myself start to well up and cry a bit, but that turned me on, too. Then I heard Juliana whisper, "fuck my ass. I know how much you like fucking girls in the ass. Teach me to like it."

Rob was something of an anal aficionado. He had a pretty massive collection of porn DVDs and magazines, and all of them focused on anal sex. It wasn't shocking that he'd want to fuck my girlfriend's ass; it was shocking that she'd want him to. She'd never let me put a finger in her sweet, tight brown hole, but here she was, begging Rob to ream her virgin ass. When I was licking her pussy earlier in the night, I had made sure to tongue her asshole a bit, so I knew that it was properly lubed up. Plus, that creampie I gave her was probably making her cunt and asshole nice and slippery.

Juliana let out a half scream when he jammed his dick into her backdoor. Rob must have been waiting for his opportunity to really give it to a girl because he didn't start out gentle at all. I was actually pretty happy that he as causing her pain. It turned me on that my cheating whore was getting her asshole slammed by Rob's giant dong.

Juliana screamed, "Oh my god! This feels so good and so bad. Please cum. I need your cum."

He replied, "You fucking whore. I'll give it to you."

I heard her yelp, like she used to with me when I'd grab her hair. Rob must be fucking her doggie-style, pulling her blonde hair and slamming her asshole. A few seconds later, I heard Rob moan a little bit. He came into my girlfriend's ass. That should have been my jizz.

I quickly went back to my bed and

pretended to be asleep, but my dick was a dead giveaway. My cock was harder than it had ever been. Juliana noticed it as soon as she entered my bed and started spooning with me. She started rubbing her well-used butt cheeks up against my cock. "Hmm...," she cooed. "It seems like somebody didn't get enough action earlier. Maybe I can take care of that boner of yours." I felt her hands reach down her own asscheeks, spreading her slutty ass for me. I gripped my shaft and rubbed the tip against her wet, sticky butthole.

"Baby, I'm not ready to do that," She told me. That's the response she always gave me. What a fucking bitch. I slipped my dick into her pussy instead. She was noticeably wetter and looser than she had been when we fucked earlier. She also must have been on the verge of an orgasm with Rob because she started cumming almost as soon as I entered her cunt.

I withdrew my dick and got to my knees. I forced her up and into the doggie-style position. As soon as she was there, I jammed my cock into her loose, gooey pussy. She screamed with delight as I started slamming her cunt harder than I'd ever done before. With my pointer finger, I began to trace the outline of her slick butthole. As she was drooling and moaning and begging for more dick, I slipped a finger into her bum. That made her go wild. I put another finger in there. She was practically shaking with pleasure at this point. I pulled my dick out of her pussy and let it slide into her butt. It felt incredible to me. It felt incredible to her, too. I could feel her ass clench on my rod as she came.

I worked my way up to a nice pace. I didn't want to blow my load too early. I wanted to enjoy this lying whore for all she was worth. I flipped Juliana onto her back and slid my dick back into her ass. Now I was working her backdoor and fingering her pussy at the same time. She let out a squeal that I'd heard two or three times before in our relationship. She was about to squirt.

I started pumping my hips harder, faster and deeper. She was now pinching her nipples and practically speaking in tongues. I couldn't understand anything she was saying. As my fingers probed her G-spot, and my cock probed her colon, her pussy began to gush. I looked down and watched as my cum washed out of her used pussy. I was

using another guy's cum as lube for her butt. I had an idea.

As soon as I felt the pressure of an orgasm building in balls, I whipped my hard dick out of her not-so-virgin-anymore ass. It left her gaping and wide-open. I walked calmly to the other end of the bed and gripped her by the back of her head. She knew what was coming. She hungrily took my dick into her mouth, and I began fucking her mouth like it was her pussy. She was practically begging for me to dump by cum down her throat. I was slamming into her mouth, and I could feel lines of hot, wet drool start to run down her chin. She was cleaning my cock of my own precum and Rod's load that had been waiting inside her asshole. She loved it.

I shot my first hot rope of jizz down her throat, which made Juliana gag a little bit, so I pulled my dick out and shot my next shot directly onto her tongue. I still had more in the barrel, so I jerked myself right onto her nose, over her left eye and onto her cheek. Her hair was a mess, her mascara was smeared, her face was literally soaked in hot, pungent cum and her pussy and asshole were gaping. She looked like such a beautiful slut at that moment. All of her young holes had been properly explored and fucked that night and for the first time, I saw my girlfriend as a whore. But I loved her at that moment more than I ever had before. She had taken care of my dick and pleased me like I'd never felt.

I don't think she ever fucked Rob again after that night. I think that he found it hard to keep eye contact with me afterward, so he moved out at the end of the semester. I was planning on breaking up with Juliana for a while after that night, but every time I thought about the incredible sex we had, I couldn't bring myself to do it. I never mentioned that I know what she did, and she never brought it up. We were married last year, and we still have pretty great sex once or twice a month. But once in a blue moon, she'll come home a little tipsy and a lot hornier than usual. Those nights, it's easy to slip in and out of all of her holes because they're soaked and gooey, almost like another man has marked his territory in my wife. Those nights, we fuck like we're young, dumb college students again. It's incredible, and I'm lucky to have such a great woman.

Mila

Age: 21 Born: Apr. 22 Ht: 5'3" Wt: 106 lbs. Bras: 34A
Panties: Usually none Anal: Yes BJs: Swallow
Flagstaff, Arizona Student

"You wouldn't believe how many creeps hit on me and ask what high school I go to," Mila told us. We understand why those guys would be confused. Mila looks young. That's one of the reasons she decided to fuck a guy on-camera for us. "I've always had to prove how mature I am. Fucking on-camera is going to be my trump card. When a guy tells me I look like a little girl, I'll show him some of these pictures."

We noticed Mila's, uh, interesting tattoos, so we asked her about them. "Getting tattoos is another way that I let guys know how mature I am. I can't wait to get more! I'm hiding them from my parents right now, though. I don't want them to know that I've got tattoos. I'd love to eventually get a full sleeve done, but I have to wait until after my parents are finished paying for my school. I can't wait to graduate! I've had fun in college, but it's time to move on. I'll miss hooking up with randoms (strangers) at parties, though. I think that promiscuity is a college thing. I think I'll settle down once I graduate."

"Oh Fuck! This is a completely new position for me!"

“I’d have to say that my favorite position is doggie. It feels the best that way. But for some weird reason I can’t cum like that. I need the dick to hit my G-spot, so with my body, that means I have to be on my back with my legs pulled really far behind my head. Also, I know that it’s weird, but I can’t cum with my eyes open. I have to have them closed. I tried to keep them open while masturbating once, and I couldn’t do it! I’m totally weird.”

“You won’t believe this because I’m, well, pretty experienced, but I’d never had a facial until your guy came on my face. I mean, I’ve had sex with, like, fifteen guys, but none have ever asked me to bust on my face. Weird, right? I’ve always been curious about it because it’s, like, the go-to move in porn. I really enjoyed myself! It kind of felt like I was being dominated a little bit, which was hot. I wish he had shot a little into my mouth because I love the taste of hot jizz, straight from the tap, but it was still plenty fun. I liked how hot it was as it dripped down my cheeks and onto my chin. I felt so fucking slutty.”
